

Candidate Statement for Alamo ISSA Officer Board Member

Board Position: President

Name: John Petrie

Email Address: (w) john.petrie@global.ntt (h) johnpetrieiii@gmail.com

Current Job Title/ Description: Counselor to the NTT CISO, Security and Trust Office

Bio Description (Experience: ISSA/InfoSec/Other organizations): Mr. John Petrie is a 40-year seasoned Technologist and Information Security Professional with solid Executive Management experience. He has industry experience in the Manufacturing, Financial Services, Defense, Technology Consulting, Telecommunications, Education and Academic Healthcare industries. Mr. Petrie's current position is the **Counselor to the NTT CISO**, focused on industry outreach, internal cybersecurity, cybersecurity transformation, and harmonization of cybersecurity processes and solutions supporting the 900+ companies of NTT worldwide.

Prior to his promotion to his current role, Mr. Petrie was the **Chief Executive Officer for NTT Security-Americas** leading the Americas business for NTT Security and providing managed security services, consulting and strategic advisory services to clients in the Americas. Under his leadership, his team successfully increased revenue quarter over quarter, stabilized the client base, increased the number of new clients, at the same time reducing employee churn. Prior to his promotion to CEO, he was the **Global Chief Information Security Officer for NTT Security Corporation**, responsible for the overall global information security strategy and the management of the information security management system. His responsibilities include information security strategy; information security policy development; risk management, analysis and mitigation; security compliance: privacy, and enterprise information security operations.

Mr. Petrie received an MBA in Information Systems from City University, a Bachelor's of Science in Liberal Arts from the University of the State of New York, and is a graduate of the Defense Intelligence College in Washington D.C. He holds multiple industry certifications including CISSP, CISM, CRISC, and CHPA-III. He is a founder of the San Antonio Security Leaders Forum and a member of the local ISACA Chapter, Member of the Cyber Security Sub-Committee, San Antonio Chamber of Commerce, and a Member of the Marine Corps Association. He is a Board Member for the Cyber Threat Alliance (CTA) and an Advisory Member for Morphisec.

Statement of Interest: I would like to continue as the Chapter President and I want to continue to lead the members of the Alamo ISSA Chapter into the next decade. As a longtime member of the ISSA organization I believe in the mission and the values of the organization and would continue to support the mission, striving to improve our profession and assist our members succeed in their own endeavors.

Goals if elected to position: I intend to continue four major goals for the Chapter:

1. Leadership
2. Mentorship
3. Professional Excellence
4. Retention and Growth
