

Candidate Statement for Alamo ISSA Officer Board Member

Board Position: President

Name: Bethany Reese

Email Address: Bethany@techhumanit.com.com

Current Job Title/ Description: Director, Client Success - TechHuman

Bio Description (Experience: ISSA/InfoSec/Other organizations):

Originally from North Carolina, now living in San Antonio since 2006, Bethany Reese considers herself to be a proud Texan! She enjoys spending quality time with her husband Javier, step-son Jake, daughter Eliana and dog Bella.

As the Co-founder of TechHuman, Bethany is passionate about bridging the gap between technology and human science. She leads a multidisciplinary team that crafts innovative solutions to achieve better business outcomes through technological innovation, system optimization, and talent alignment. In addition to her role at TechHuman, Bethany serves on the board of Alamo ISSA and SIM San Antonio and spearheads the Executive Women in Tech Forum in San Antonio, where she champions the advancement of women in technology.

Bethany has a passion for people and volunteers her time in many areas, leading personal transformation groups at City Church in Downtown San Antonio, Assistant Lead for non-profit personal success programs Discovery Austin Texas. Through her personal journey, Bethany has discovered her life mission to inspire women to unleash their inner power and worth.

Statement of Interest: I have enjoyed working side by side the Alamo ISSA board since 2020 and look forward to next year! Serving the Security community in anyway requested of me.

Goals if elected to position: As President, my central goal is to provide effective leadership for our Chapter. This involves monthly coordination with the Board to set meeting agendas and ensure well-run meetings, fostering transparent communication with our members, and keeping them informed about our Chapter's activities and relevant external events. Annually, I'll focus on understanding our Chapter's needs through membership surveys and working closely with the Board to execute a strategic plan that aligns with our mission. Additionally, I'll actively promote our Chapter and ISSA, establish valuable connections with professional associations, appoint Committee Advisors, lead special meetings when necessary, participate in ISSA Chapter Presidents' Meetings, manage incoming correspondence efficiently, and maintain detailed Chapter records for seamless transitions to future leaders. My aim is to guide our Chapter towards growth, excellence, and enduring success.
